LETTER FROM THE BOARD

ISSUE MANDATE

At the Annual General Meeting, an ordinary resolution pursuant to Section 161 of the Singapore Companies Act will be proposed to grant to the Directors a general and unconditional mandate to exercise the powers of the Company to allot, issue and deal with unissued Shares with an aggregate number of Shares not exceeding 20% of the total number of Shares of the Company in issue as at the date of passing of the relevant resolution at the Annual General Meeting. As at the Latest Practicable Date, a total of 808,260,189 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased and cancelled by the Company prior to the Annual General Meeting, the Company will be allowed under the Issue Mandate to issue a maximum of 161,652,037 Shares.

REPURCHASE MANDATE

At the Annual General Meeting, an ordinary resolution pursuant to Section 76E of the Singapore Companies Act will be proposed to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares may be listed, the aggregate number of Shares not exceeding 10% of the total number of Shares of the Company in issue as at the date of passing of the relevant resolution at the Annual General Meeting.

Under the Singapore Companies Act and the Listing Rules, the Company is required to give to its Shareholders all information which is reasonably necessary to enable Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the Annual General Meeting. An explanatory statement for such purpose is set out in Appendix I to this circular.

EXTENSION MANDATE

In addition, an ordinary resolution will also be proposed at the Annual General Meeting to extend the Issue Mandate by an addition of an amount representing the aggregate number of Shares repurchased under the Repurchase Mandate.

The Repurchase Mandate and the Issue Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Constitution or the applicable laws of the Singapore to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders of the Company in a general meeting.

LETTER FROM THE BOARD

THE ANNUAL GENERAL MEETING

The notice of the Annual General Meeting is set out on pages 21 to 25 of this circular.

The 2016 Annual Report incorporating the audited consolidated financial statements of the Group for the year ended 31 December 2016 and the reports of the Directors and the auditors thereon are dispatched to the Shareholders together with this circular.

A form of proxy for use at the Annual General Meeting is enclosed with this circular. Whether or not you are able to attend the Annual General Meeting in person, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon as soon as possible and deposit the same with the Company's Hong Kong branch share registrar, Tricor Investor Services Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible and in any event not later than 48 hours before the commencement of the Annual General Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or any adjournment thereof should you so wish.

RE-ELECTION OF DIRECTORS

According to Article 104 of the Constitution, at each annual general meeting, one third of the Directors for the time being (or if their number is not a multiple of three, then the number nearest to but not greater than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years. As such, Mr. Zhao Xiaobo and Ms. Chen Hua will retire from the Board by rotation at the Annual General Meeting and, being eligible, offer themselves for re-election.

In addition, in accordance with Article 108 of the Constitution, Mr. Huang Yu, who was appointed as non-executive Director on 15 July 2016, holds office until the Annual General Meeting and being eligible, would offer himself for re-election.

As such, Mr. Zhao Xiaobo, Mr. Huang Yu and Ms. Chen Hua will retire, being eligible, offer themselves for re-election. Particulars of each of them are set out in Appendix II of this circular.

The nomination committee of the Company recommended the re-election of Mr. Zhao Xiaobo, Mr. Huang Yu and Ms. Chen Hua as Directors at the Annual General Meeting to be held on 20 June 2017. Ms. Chen Hua, an independent non-executive Director of the Company, has confirmed independence with reference to the factors set out in Rule 3.13 of the Listing Rules. The nomination committee of the Company is also responsible for, among other things, assessing the independence of independent non-executive Directors. On 13 March 2017, the nomination committee assessed and reviewed the individual independent non-executive Director's annual confirmation of independence based on the independence criteria as set out in Rule 3.13 of the Listing Rules, and affirmed that all independent non-executive Directors including, Ms. Chen Hua, remained independent.

LETTER FROM THE BOARD

As a good corporate governance practice, Mr. Zhao Xiaobo, Mr. Huang Yu and Ms. Chen Hua each abstained from voting on the respective propositions of their recommendations for election by Shareholders.

Yours faithfully,
For and on behalf of the Board of
Technovator International Limited
Huang Yu
Chairman

This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 808,260,189 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased and cancelled prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 80,826,018 Shares, which represents approximately 10% of the total number of Shares of the Company as at the date of passing the resolution until the earliest of:

- (i) the conclusion of the next annual general meeting of the Company; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Constitution or the applicable laws of Singapore to be held; or
- (iii) revocation or variation by an ordinary resolution of the Shareholders of the Company in a general meeting.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for the purpose in accordance with the Constitution and the Singapore Companies Act. Furthermore, the Company must comply with the solvency requirements set out in the Singapore Companies Act when proceeding with any share repurchase.

The Company will use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance the Company's purchase or acquisition of the Shares. In addition, the Directors will also consider the availability of external financing. However, in considering the option of external financing, the Directors will also consider the financial position of the Group, particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions of the Shares in circumstances that they believe will not result in any material adverse effect to the financial position of the Group.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company (as compared with the position disclosed in the 2016 Annual Report). However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

5. SHARE PRICES

The Shares are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the following months immediately preceding the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
April 2016	4.45	3.89
May 2016	4.25	3.74
June 2016	4.26	3.78
July 2016	3.98	3.19
August 2016	3.46	2.69
September 2016	3.49	3.01
October 2016	3.38	3.10
November 2016	3.34	3.08
December 2016	3.20	2.77
January 2017	3.08	2.87
February 2017	3.42	2.95
March 2017	3.33	2.90
April 2017	3.06	2.92
May 2017 (up to the Latest Practicable Date)	2.97	2.82

6. FINANCIAL EFFECTS OF THE SHARE REPURCHASE

Where the Company cancels any of the Shares it repurchased, the Company shall:

- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (b) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of its shares capital and profits proportionately where the Shares are purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled.

The financial effects on the Company arising from purchases or acquisitions of Shares which may be made pursuant to the Repurchase Mandate will depend, among other things, on whether the Shares are purchased or acquired out of the profits and/or capital of the Company, the number of Shares purchased or acquired and the price paid for such Shares.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Company shall not purchase its shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for 5 preceding trading days on which its shares were traded on the Stock Exchange.

For illustrative purposes only:

Where the Shares purchased or acquired are cancelled, in a on-market purchase, assuming that the maximum price is HK\$3.06 (“**Assumed Purchase Price**”), which is approximately 5% above the average closing price of a Share as stated in the Stock Exchange’s daily quotation sheets for the 5 business days immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 80,826,018 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date), which is the maximum number of Shares the Company is able to purchase or acquire under and during the duration of the Repurchase Mandate, would be approximately HK\$247,328,000. The financial effects of the purchase

or acquisition on the financial position of the Company and the Group for the year ended 31 December 2016 are as follows:

On-Market Purchases of up to 10% made entirely out of capital and cancelled

As at 31 December 2016	Company		Group	
	Before Share Purchase <i>RMB'000</i>	After On-Market Purchase <i>RMB'000</i>	Before Share Purchase <i>RMB'000</i>	After On-Market Purchase <i>RMB'000</i>
Share capital	1,254,909	1,035,062	1,254,909	1,035,062
Reserves	202,162	202,162	(372,108)	(372,108)
Accumulated profits/(losses)	451,641	451,641	1,305,626	1,305,626
Non-controlling interests	–	–	5,691	5,691
Total equity	1,908,712	1,688,865	2,194,118	1,974,271
Current assets	193,398	85,766	2,996,669	2,889,037
Current liabilities	10,007	122,222	1,607,886	1,720,101
Working capital	183,391	(36,456)	1,388,783	1,168,936
Total liabilities	10,187	122,402	1,635,492	1,747,707
Number of shares ('000)	808,260	727,434	808,260	727,434
Return on equity (%)	0%	0%	11%	12%
Basic (loss)/earning per Share (cents)	0.0017	0.0019	0.2935	0.3261
Gearing ratio	188.37	14.80	2.34	2.13
Current ratio (times)	19.33	0.70	1.86	1.68

Assuming the repurchase of up to 80,826,018 Shares at the Assumed Repurchase Price and all other things remaining the same, the working capital and net assets of the Company and the Group would be reduced by the dollar value of the Shares purchased.

The purchase of the Shares would reduce the current assets and shareholders' funds of the Company and the Group accordingly. The actual impact on the current ratio of the Company and the Group would depend on the number of Shares purchased and the price or prices at which the Shares are purchased.

THE SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE FOR ILLUSTRATION PURPOSES ONLY (BASED ON THE AFOREMENTIONED ASSUMPTIONS AND THE MOST RECENTLY AUDITED FINANCIAL STATEMENTS OF THE COMPANY).

7. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Directors, the controlling shareholders of the Company, namely 同方股份有限公司 (Tsinghua Tongfang Co., Ltd*) and Resuccess Investments Limited (the "**Controlling Shareholders**"), together exercise and/or control the exercise of approximately 34.20% voting rights in the general meeting of the Company.

In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the direct and indirect shareholding of the Controlling Shareholders in the Company would increase to approximately 38.00% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase will give rise to an obligation to make a mandatory offer under Rule 26 or Rule 32 of the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for the Controlling Shareholders to make a mandatory offer.

The Directors will not exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company repurchased a total of 10,850,000 ordinary shares of the Company on the Stock Exchange during the preceding six months preceding the Latest Practicable Date, all of which were not yet cancelled as at the Latest Practicable Date.

* For identification purpose only

The table below sets out details of the share repurchases made by the Company during the six months prior to the Latest Practicable Date:

Article 107 of the Constitution provides that no person, other than a Director retiring at the meeting of the Company and who is recommended by the Directors for re-election, shall be eligible for appointment as a Director at any general meeting, unless not less than 11 clear days before the day appointed for the meeting there shall have been left at the registered office of the Company notice in writing signed by some Shareholder duly qualified to attend and vote at the meeting for which such notice is given of his/her intention to propose such person for election and also notice in writing duly signed by the nominee giving his/her consent to the nomination and signifying his/her candidature for the office or the intention of such Shareholder to propose him/her, provided that the period for lodgment of such notice shall commence on the day after the dispatch of the notice of the general meeting appointed for such election and end no later than seven days prior to the date of such general meeting. Provided that in the case of a person recommended by the Directors for election nine clear days' notice only shall be necessary and notice of each and every candidate for election shall be served on all Shareholders at least seven clear days prior to the meeting at which the election is to take place.

Accordingly, if a Shareholder wishes to nominate a person to stand for election as a Director, the following documents must be validly served on the registered office of the Company, namely (i) his/her notice of intention to propose a candidate for election; and (ii) a notice executed by the nominated candidate giving his/her consent to the nomination and signifying his/her candidature for the office or the intention of such Shareholder to propose him/her together with (A) that candidate's information as required to be disclosed under Rule 13.51(2) of the Listing Rules and such other information, as set out in the below heading "Required information of the candidate(s) nominated by Shareholders", and (B) the candidate's written consent to the publication of his/her personal data.

In order to ensure Shareholders have sufficient time to receive and consider the information of the nominated candidate(s), Shareholders are urged to submit their proposals as early as practicable, **preferably before 5:00 p.m. on Wednesday, 7 June 2017** so that an announcement can be issued on or about **Wednesday, 7 June 2017** and a supplemental circular containing information of the candidate(s) proposed by Shareholders can be despatched to Shareholders as soon as practicable on or about Thursday, 8 June 2017.

Required information of the candidate(s) nominated by Shareholders

In order to enable Shareholders to make an informed decision on their election of Directors, in addition to the above described notice of intention to propose a candidate for election by a Shareholder, the Shareholder or the nominated candidate should provide the following information:

- (b) positions held with the Company and/or other members of the Group (if any);

- (h) a declaration made by the nominated candidate in respect of the information required to be disclosed pursuant to Rule 13.51(2) of the Listing Rules, or an appropriate negative statement to that effect where there is no information to be disclosed pursuant to any of such requirements nor there are any other matters relating to that nominated candidate's standing for election as a Director that should be brought to Shareholders' attention; and
- (i) contact details.

The Shareholder proposing the candidate will be required to read out aloud the proposed resolution, as set out under "Resolutions and Voting" below, at the AGM.

3. RESOLUTIONS AND VOTING

According to the note to code provision E1.1 of the Appendix 14 to the Listing Rules and Section 150 of the Singapore Companies Act, there must be a separate resolution for nomination of persons as Directors.

There will be three Director vacancies to be filled at the AGM following the retirement of Mr. Zhao Xiaobo, Mr. Huang Yu and Ms. Chen Hua. If there are more than three candidates standing for election at the AGM, each resolution proposing that a candidate be appointed as a Director will provide for a method to determine which three candidates shall be elected as Directors as follows:

"THAT subject to the number of net votes cast in relation to this resolution (net votes being votes cast in favour minus votes cast against this resolution) being among the three highest number of net votes cast on each of the resolutions for the appointment of a person as a director of the Company at the forthcoming annual general meeting of the Company (the "AGM") to be held on 20 June 2017 or on the date of its adjournment (where applicable), name of candidate be and is hereby appointed as a director of the Company with effect from the conclusion of the AGM held on 20 June 2017, provided that if any three or more of such resolutions record the same number of net votes (the "**Tied Resolutions**"), the ranking of the Tied Resolutions from highest to lowest number of net votes shall be determined by the drawing of lots by the chairman of the meeting."

If a resolution is passed (i.e, it has been carried by the majority of the votes cast on it), the candidate who is the subject of that resolution will be eligible to be elected a Director. On the other hand, if a resolution is not passed, the candidate who is the subject of that resolution will not be eligible to be elected a Director. If there are less than three resolutions passed by the majority of the votes cast, the Board may, pursuant to Article 108 of the Constitution, appoint any person to fill the relevant vacancy or vacancies (as the case may be).

Assuming a resolution is passed by the majority of the votes cast on it, the candidate who is the subject of that resolution will be elected to one of the three positions on the Board if the net votes cast in favour of his/her resolution is among within the top three resolutions passed in terms of net votes cast. Net votes cast are calculated by taking the votes cast in favour of a resolution and subtracting the votes cast against that resolution. In the event there is a tie in the net votes for three or more resolutions, the ranking of the Tied Resolutions from highest to lowest number of net votes cast shall be determined by the drawing of lots by the chairman of the meeting.

Therefore, if you wish to support a particular candidate, you should vote in favour of his/her resolution. If you do not wish to support a candidate, you may vote against his/ her resolution or abstain from voting. If you abstain from voting, you should note that your votes will not be counted when calculating the net votes cast in respect of the resolution for such candidate that you do not wish to support.
