PROFIT ALERT

ESTIMATED INTERIM RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2025

This announcement is published by Technovator International Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2025, the Group is expected to record a loss ranging from approximately RMB7.5 million to RMB8.5 million for the six months ended 30 June 2025, as compared with the loss of approximately RMB71.9 million for the six months ended 30 June 2024. The decrease in loss for the six months ended 30 June 2025 was mainly attributable to the significant progress in the implementation of a number of projects for the smart energy business and the high gross profit margin of such projects, which in turn drove the increase in the Group’s overall revenue and gross profit.

The information contained in this announcement is only based on a preliminary assessment by the Board based on the information currently available, including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025. Such information has not been audited by the Company’s auditors, or confirmed or reviewed by the audit committee of the Company. Detailed financial results of the Group for the six months ended 30 June 2025 will be disclosed in the Group’s interim results announcement, which is expected to be published by the end of August 2025.
